

DIA GO NAL

SAFE AND SUSTAINABLE BY DESIGN STRATEGIES TOWARDS INNOVATION

17 May, 2023 | 11:15h - 12:45h

CONFERENCE
OPEN TO THE PUBLIC

diagonalproject.eu

Venue:

Conferences room
Faculty of Economics (UBU)

DIAGONAL presentation:

- Dr. Carlos Rumbo
Head of Toxicology Line - ICCRAM University of Burgos

Key speakers:

- Dr. Elorri Igos
Luxembourg Institute of Science & Technology (LIST)
*Sustainability assessment of nanomaterials –
background and challenges*
- Dr. Ramjiti Indaraprasirt
National Nanotechnology Center (NANOTEC), Thailand
Nanosafety Initiatives - Thailand as case of study

Roundtable: *Industry perspective on Safe and Sustainable by Design (SSbD) strategies*

The keynote speakers will participate in the roundtable together with:

- Dr. Christian Rein
Senior specialist at Danish Technological Institute
- Dr. Marios Kourtelesis
R&I Catalysis Engineer at Monolithos Ltd. (Greece)
